

Candidate 01	Role(s) played	Sam
	Identifying feature	Only male in the group
A Response to stimulus (AO2)		Mark (out of 5)
The candidate brought many ideas to the rehearsal room, such as his relationship with his mother, the absence of his dad and his best friend's support. He showed a high level of inventiveness in response to the stimulus especially in the creation of a stressful life at home and in school.		4
B Ensemble, structure, role (AO2)		Mark (out of 15)
The candidate advanced his performance throughout the process and worked hard to show the stress between home and school. He created a final performance that was broadly convincing and was well engaged with the group.		9
C Quality of analysis and evaluation (AO4)		Mark (out of 10)
The candidate was very analytical, going into depth about the devising process and what he had contributed. His evaluation was thorough and directly linked the artistic intentions of the piece. He shows clear ideas for change and improvement in the piece and good knowledge of theatre style and structure.		9
