

Candidate 01	Role(s) played	Agnetha Gottmundsdottir	
	Identifying feature	A New York psychiatrist. She wore green trousers.	
A Interpretation and performance skills (AO3)			Mark (out of 15)
The candidate undertook some research into the role of a psychiatrist which was secure but by no means original.			11
B Communication (AO3)			Mark (out of 15)
She demonstrated a clear sense of how her role related to the other two characters but was seldom able to take the action forward on her own. A good ensemble player, able to support the overall performance.			11
